

## Master Gardener Annual Plant Sale

*Ag Center • May 19<sup>th</sup>, 2018*

Westminster – The 6<sup>th</sup> annual Carroll County Master Gardener plant sale will be held on May 19<sup>th</sup> from 8 -12. The location of the sale will be indoors in

the Extension Building which is the first building on the left as you enter the parking lot. Follow the signs. There will be fresh plants dug from the gardens of the Master Gardeners, clearly labeled, and reasonably priced. A great selection of annuals as well as

heirloom tomato and other heirloom plants will be there, too. A garden flea market will feature gently used tools, decorative items, and other gardening paraphernalia. The Master Gardeners will be on hand for advice and to answer questions. Transportation of plants to your car will be available.

Please bring your own box as we never know how many we will have. Cash or check only – no credit cards. All proceeds go to support the various educational activities of the Master Gardeners around the county. For more

information, contact the Carroll County Master Gardeners [ccmg@umd.edu](mailto:ccmg@umd.edu) or 410-386-2760.

If you need special assistance to participate in this program, please contact the University of Maryland Extension Carroll County office at least 2 weeks in advance.
